

SAVE THE DATE

April 6th & 7th

Be sure to mark your calendar for **April 6th & 7th** for our annual Rally in Tally Fourth District Conference. Bring your delegates and meet your legislators responsible for making the decisions that not only affect your region, but also the 4th District as a whole.

Even though the conference is not until April, you want to get your legislative chair busy getting their committee together and working on setting up meetings with the various State Representatives and Senators in your district. For a list of your legislators and to find out which ones cover your area, go to <http://www.4aaf.com/Government.cfm> and click on the *Find Your Local Legislator* button.

The 4th District will cover the cost of the room for the number of delegates you are allowed for your local chapter. But you are more than welcome, and even encouraged, to bring as many members as you want to meet with your lawmakers and make sure they know the importance of the businesses involved in advertising in their district. Remember, if you're in business, you're in advertising.

More details and a full conference schedule to come shortly.
